ETSU Repeat Option Request Form Instructions

Tennessee Education Lottery Scholarship

TSAC's TELS Policies and Procedures (1640-1-19-.22) states that "credit hours that were repeated shall be included in the postsecondary cumulative grade point average calculation, and are counted towards the limitation on credit hours." The policy allows for a student to have a "one time option to repeat one course and utilize only the higher of the two grades in the calculation of their postsecondary grade point average for purposes of determining continued eligibility for a TELS award."

- 1. Determine which repeated class you wish to exclude.** You may use a GPA calculator (such as the GPA estimator at <http://www.etsu.edu/reg/regforms/GPACalculator.aspx>) to estimate your GPA without the excluded class. Remember to use your TELS quality points and quality hours, instead of your ETSU figures. You can find the TELS information in the Lottery Scholarship Eligibility section of Goldlink. (To find the TELS Eligibility section: Log in to Goldlink, then click on the Financial Aid tab. Click on the "Your Account & Awards" tab, then on "Lottery Scholarship Eligibility".)
- 2. Complete the Repeat Option Request Form.**
Read each question carefully before answering. Remember that you will not be able to make changes or withdraw your request after you submit it. You may exercise your Repeat Option *one time only*; use it wisely!
- 3. Talk with an ETSU Financial Aid Counselor.**
A Financial Aid counselor in the Office of Financial Aid will counsel you on the potential impact of using the Repeat Option. The counselor cannot guarantee that your TELS GPA will meet requirements after you submit the repeat form; however, he or she will help you choose the best option for increasing your GPA. Remember to take your completed Repeat Option Request Form for the Financial Aid Counselor to sign!
- 4. Submit the Repeat Option Request Form.**
Submit the form to your Financial Aid counselor at the end of the counseling session. Completing step 3 by phone or e-mail? Be sure to ask about how to submit the completed form, as the counselor's signature is required for the form to be processed!
